Hey Audrey, I know it has been a while since we last talked and I wanted to just touch base and see how you are doing. How are you doing? I hope all is well.

I was wondering when the EPA plans to publish ADEMs latest authorizations in the Federal Registry? Will it be by the end of this fiscal year do you think? To be honest, I really don't know a lot about it, but I wanted to get an idea so when my bosses ask I will have some sort of answer.

Anyway, thanks and I hope you and the rest of the Region 4 team are doing well. We look forward to working with you this coming year!
